

## Front-End Developer

**Location:** Oxford (OX4 2HU)

**Job Type:** Permanent/fulltime

**Job Ref:** ING238

We are seeking a Front-End Developer who will be responsible for development and maintenance of the **user interface** for web based applications, including Ingenta CMS and Ingenta Connect. The role will involve development and maintenance of the core platforms, and specific client deployments.

The Front-End Developer will work with Product Managers, Client Managers and graphic designers (as needed) to turn specifications into fully-functioning, standards compliant websites.

The role will require the candidate to work with a mix of web technologies including JSP, JSTL, HTML5, CSS (Less or SASS) and to have strong Javascript and jQuery knowledge.

### Key responsibilities include:

- Website design
- Production of web site templates using the Bootstrap Frontend Framework (HTML, CSS, graphics, LESS/SASS)
- Development of client-side javascript, jQuery, (Typescript, Angular highly beneficial but not required).
- Testing and maintenance of both specific client websites and the underlying platform, using appropriate templating environment/technology.

### The successful candidate:

The successful candidate will have significant experience as a Front-End Developer or designer have strong web UI development skills, experience with design, implementation and maintenance of web applications. In addition to:

- Detailed knowledge of HTML5/XHTML and CSS with ability to code accurate, efficient cross-browser and cross-platform pages
- Experience with client-side scripting using Javascript and JQuery
- Previous experience with JSP, or similar web page templating languages
- Experience with Angular or similar client-side UI frameworks (React, Ember, AngularJS etc...)
- Experience with UI testing tools such as Selenium & Mocha
- AJAX
- Knowledge of interface/information design and UX
- Ability to learn new applications, coding techniques, and mark-up/translation languages
- Knowledge of accessibility guidelines and/or previous experience with building accessible websites a bonus

If you are interested in this exciting opportunity please forward your CV to [recruitment@ingenta.com](mailto:recruitment@ingenta.com) quoting job reference **ING238**.
