**Ingenta PLC**  
("Ingenta" or the "Company")

**Ingenta announces two new multi-year contracts for its CMS platforms**

Ingenta plc (AIM: ING), a leading provider of innovative content solutions, is pleased to announce that it has signed two new multi-year customer contracts for its content management system ("CMS") publishing platform, worth approximately £500k in total.

These contract wins are a result of the Company's renewed sales focus, and represent an expansion into new geographies.

**Scott Winner, acting CEO of Ingenta, said** "We have been working hard to enhance our products and how we work as an organization, which has translated to even better functionality and a superior partner experience for our customers and prospects. These wins are a further validation of our current direction and the momentum we are continuing to build."

**About Ingenta**

Ingenta is a leading provider of content solutions that transform businesses. We cover the publishing process with our suite of commercial products, CMS and advertising solutions and content services packages. Combining our publishing knowledge, global reach and customer support with our extensive technology and service products, we offer a range of solutions to help publishers manage and monetise their content effectively. Traded on the AIM market of the London Stock Exchange, the Company operates jointly from Europe (Oxford) and North America (Boston and New Jersey), with local offices in Brazil, India and China. Assisting trade and scholarly publishers for nearly 40 years, Ingenta helps to address the issues content providers face.
